

## Within *Evergreen Acres*

- As of April 3<sup>rd</sup>, 2020, *Evergreen Acres*' public areas were closed to the general public due to Covid restrictions. Fortunately, as of last week (May 20<sup>th</sup>) our public areas are once again open to the public. However, we continue per Covid guidelines to request that visitors, family & friends, and personal aides continue to wear a mask especially if not vaccinated, and when possible, maintain *social distancing* at gatherings within our building.
- *Evergreen Acres* is in the shape of a horseshoe with an interior courtyard and two exterior buildings on the west side of our property for storage of supplies & tools, lawn equipment, and our truck. Within the building we have a Main Office area as well as two administrative offices; a maintenance room; a kitchen; a Community Room available for weekly Bingo, dinners, & church services; a Game Room with pool, air hockey, and shuffle board; two laundry rooms; and a Guest Room available to family & friends of residents staying overnight (currently closed due to Covid-19 restrictions). Our north & south wing breezeways have stationary bikes for year-round exercising. Mail service is provided to residents within our Main Lobby.
- Each 1-bedroom apartment (552 square feet) is at ground level with a small patio area outside each apartment. Every apartment has a walk-in shower with multiple assist bars in each bathroom. Stove and refrigerators are furnished with each apartment having its own heat and A/C units. Blinds & curtains are provided with 2 emergency pulls located in the bedroom and bathroom. We provide 24-hour emergency maintenance when needed. Small pets are welcomed with currently 8 small dogs and 6 cats living onsite with our residents.
